BRAND NEW

RAMBO SPEED DRILL **THE NEW GENERATION OF DRILLING**

2 years ago MK-Tools presented the worlds first 4-fluted drill for drilling into solid. Now this innovating new tool geometry has been adapted to a 2-flute and 3-flute design. That means perfect centering and dimensional accuracy for all common applications.

1

// UP TO 3 TIMES HIGHER FEED RATES
COMPARED WITH EXISTING DRILLS

2

// PERFECT CENTERING BEHAVIOUR
AND HIGHEST DIMENSIONAL ACCURACY

3

// GEOMETRIES CAN BE CUSTOMIZED
AS PER YOUR APPLICATION

**SEE FOR YOURSELF THE ADVANTAGES
OF THIS INNOVATING NEW DRILLS.**

**WE ARE LOOKING FORWARD TO YOUR REQUESTS
FOR YOUR DRILLING APPLICATIONS.**
